

Bug's Eye View

From A Bug's Eye View

My Words

Discover what it is like to be small and looking up at everything. Take a photo from a bug's eye view by getting down low and pretending to be an insect on the ground. Print your photo and then adhere it in the box above.

Record a list of words that come to mind as you look at the photo. Using the words you listed, write a description of your bug's eye view.
