Challenge #1 Clover

Draw your clover plant and label the parts. Can you see the nodules on the roots?

Day 1	Day 2	Day 3	Day 4	Day 5

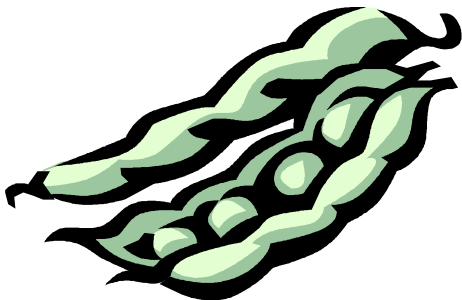

In the *Handbook of Nature Study* on page 598, #5, it suggests tying a string around an unopened clover head and then observe it over the next few days. Use the boxes above to record your observations.

Challenge #2 Beans

Day ____	Day ____
Day ____	Day ____
Day ____	Day ____

Did you eat some green beans? _____
Describe the taste of green beans: _____

Did you like them? _____
